General Questions

- How do I access the downloadable PDFs of the item sets?
 - You will first need access to the Assessment Module in Cognia's eProve platform. If you do not have an account, you can request one using the button on the [Formative Assessment tab of the Help and Support site](#).

- How do I access the item sets online?
 - You will first need access to the iTester platform. This is the same platform you would use for summative assessments. If you do not have an account, you can request one using the button on the [Formative Assessment tab of the Help and Support site](#).
 - Once you have access, you can find more information on administration of the item sets on the [Online Testing tabs of the Help and Support Page](#).

- If I am an STC or DTC, how can I see which teachers have accounts in iTester?
 - You can log into the iTester platform to review your organization and which people in it are listed as users. There are a couple of one- or two-minute videos here that show you how accounts can be edited and deactivated: <https://newmexico.onlinehelp.cognia.org/cbt-tutorials/>
