

WIDA Screener

- Remote Screener available. Guidance can be found at https://webnew.ped.state.nm.us/wp-content/uploads/2020/07/NMPED_SupportDoc_RemoteInstruction.pdf.
- Include students in virtual English language development courses depending on the results of the temporary screening.
- Keep careful documentation of any students who would be administered the W-APT/WIDA Screener but parents refuse to allow the child to come into the school building.
- The EL/IFEP identification in such a case is delayed until parents feel safe enough to allow students in the school building to be assessed.
- Actual identification can only be completed using the W-APT for kindergarten and WIDA Screener for grades 1-12.
