Email Subject Line: Spring 2021 NM-MSSA Math, ELA, and SLA, and NM-ASR online testing kiosk update

Message Body Text:

Greetings!

On January 25th, 2021, updated New Mexico Public Education Department Assessments Windows kiosks as well as Chrome and iOS kiosk applications will be available to download and install. These kiosks will be required for Spring 2021 NM-MSSA Math, ELA, and SLA as well as NM-ASR summative assessments. These kiosks will also be required for anyone using a kiosk to administer the iMSSA End-of-Year interim assessment (*the iMSSA End-of-Year interim assessment can also continue to be administered using a browser*).

Important note for macOS users: a new kiosk for macOS is *not* required for Spring 2021 NM-MSSA Math, ELA, SLA, and NM-ASR summative assessments and the iMSSA End-of-Year interim assessment. You can continue to use the current macOS kiosk made available in January 2020 for the Spring 2021 assessments.

If you have any questions or concerns about kiosk updates, please contact the Cognia NM help desk at 1-877-676-6722 or email: nmhelp@cognia.org or use [Live Chat](#) found in the Help and Support Page.

Kind Regards,
