

Spring 2021 NMPED Assessments Online Testing Kiosk Update

Email Subject Line: Spring 2021 NM-MSSA Math, ELA, and SLA, and NM-ASR online testing kiosk update – Chrome App available now!

Message Body Text:

Greetings!

This is an update to last email received on January 25 about the delay on the release of the updated NMPED Assessments Chrome App. **The Chrome App is ready now in the Google App store.**

Windows and iOS applications continue being available for download.

Important note for macOS users: a new kiosk for macOS is *not* required for Spring 2021 NM-MSSA Math, ELA, SLA, and NM-ASR summative assessments and the iMSSA End-of-Year interim assessment. You can continue to use the current Mac OS kiosk made available in January 2020 for the Spring 2021 assessments.

If you have any questions or concerns about kiosk updates, please contact the Cognia NM help desk at 1-877-676-6722 or email: nmhelp@cognia.org or use [Live Chat](#) found in the Help and Support Page.

Kind Regards,
