Message Body Text:

Greetings!

There is a delay on the release of the of the updated New Mexico Public Education Department Assessments Chrome application. It is expected that this will be available later this week, and a communication will be sent at that time.

Windows and iOS applications are available for download today.

Important reminder for macOS users: a new kiosk for macOS is *not* required for Spring 2021 NM-MSSA Math, ELA, SLA, and NM-ASR summative assessments and the iMSSA End-of-Year interim assessment. You can continue to use the current macOS kiosk made available in January 2020 for the Spring 2021 assessments.

If you have any questions or concerns about kiosk updates, please contact the Cognia NM help desk at 1-877-676-6722 or email: nmhelp@cognia.org or use [Live Chat](#) found in the Help and Support Page.

Kind Regards,
