

Opportunity-to-Learning **TEACHER SURVEY**  
Spring 2021

Thank you for completing this short anonymous survey. The results are being used only for informing school, district, and state leaders in how best to support student learning going forward and not for any accountability purposes.

**Please answer the following questions for all of your classes this school year.**

1. Please indicate your primary role:
  - a. General education classroom teacher
  - b. Special education or English learner specialist
  - c. United Arts (e.g., music, art)
  - d. Physical education or health
  - e. Other specialist (e.g., reading, behavioral support)
  - f. Other
  
2. So far during this school year, I have been able to instruct students in-person:
  - a. All or most the time
  - b. More than half of the time
  - c. About half of the time
  - d. Less than half of the time
  - e. Rarely or never
  
3. How many times were you required to switch from in-person instruction to remote learning due to potential COVID exposure (e.g., Due to you or another teacher being exposed, too many student cases, school being closed,)?
  - a. Not at all
  - b. 1 time
  - c. 2 or more times
  - d. My school did not provide in-person learning this year.
  
4. During the times I had to instruct students from home or remotely, I provided students with:
  - a. Virtual or online coursework
  - b. I provided worksheets and packets that were sent home
  - c. Both
  - d. My instruction took place in-person

Just thinking about the time that you facilitated **virtual instruction**, please respond to the following questions

5. How many of your students were able to access recorded lessons online without any

- issues?
- a. All of my students
  - b. Most of my students
  - c. At least half of my students
  - d. Fewer than half of my students
  - e. I did not have the opportunity to provide recorded lessons
6. How many of your students were access live lessons without any problem?
- a. All of my students
  - b. Most of my students
  - c. At least half of my students
  - d. Fewer than half of my students
  - e. I did not have the opportunity to provide live lessons virtually
7. How many of your students were generally engaged in their learning during your live lessons?
- a. All of my students
  - b. Most of my students
  - c. At least half of my students
  - d. Fewer than half of my students
  - e. I did not have the opportunity to provide live lessons virtually

**Thinking about the school year in general, please respond to the following questions.**

8. How much do you believe your students learned this year compared to a typical school year?
- a. I feel like most of my students learned more this year compared any other year
  - b. I feel like most of my students learned as much this year as any other year
  - c. I feel like most of my students learned less this year compared to other years
9. To what extent were you concerned about your students' social-emotional well-being this year?
- d. I was concerned about more of my students this year compared to other years
  - e. I was concerned about the same number of my students this year compared to other years
  - f. I was concerned about fewer of my students this year compared to other years
10. On the days that I taught virtually:
- a. I used recorded (asynchronous) lessons more often than live (synchronous) lessons with my students
  - b. I used recorded (asynchronous) lessons about as often as live (synchronous) lessons with my students

- c. I used recorded (asynchronous) lessons less often than live (synchronous) lessons with my students
  - d. My learning was almost always in-person
11. On the days I taught virtually, my students were able to request individual help from me:
- a. All of the time or whenever they needed help.
  - b. Most of the time
  - c. Some of the time
  - d. My students learning took place in-person

**Please describe your perceptions of student access to online learning by answering the following questions.**

12. In general, from what you could tell, how many of your students had access to a physical environment that allowed them to focus on their learning?
- a. All of my students.
  - b. Most of my students.
  - c. At least half of my students
  - d. Fewer than half of my students
  - e. Instruction for my students was almost always in-person.
13. In general, it appeared that an adult was available most the time if my students needed help with remote learning
- a. This was true for all of my students
  - b. This was true for most of my students
  - c. This was true for at least half of my students
  - d. This was true for fewer than half of my students
  - e. Instruction for my students was almost always in-person

**We are now going to ask a few questions about feelings about your experiences teaching this year.**

14. I felt like I was supported by my administrators in meeting the challenges of teaching this year
- a. Strongly agree
  - b. Agree more than disagree
  - c. Disagree more than agree
  - d. Strongly disagree
15. I was able to find ways to take care of my own health and wellness this year
- a. Strongly agree
  - b. Agree more than disagree

- c. Disagree more than agree
- d. Strongly disagree

**Just thinking about the time you spent teaching in-person, please indicate whether you agree or disagree with the following statements:**

- 16. Teaching my students this year felt like teaching any other year
  - a. Strongly agree
  - b. Agree more than disagree
  - c. Disagree more than agree
  - d. Strongly disagree
  
- 17. The social distancing requirements and having to wear a mask made it more difficult to teach my students this year
  - a. Strongly agree
  - b. Agree more than disagree
  - c. Disagree more than agree
  - d. Strongly disagree
  
- 18. I received helpful professional learning opportunities to help me provide high-quality in-person instruction while socially-distanced and masked.
  - a. Strongly agree
  - b. Agree more than disagree
  - c. Disagree more than agree
  - d. Strongly disagree

**Just thinking about the time you spent teaching remotely, please indicate whether you agree or disagree with the following statements:**

- 19. Teaching my students remotely this year was:
  - a. Much more difficult than teaching in-person
  - b. Somewhat more difficult than teaching in-person
  - c. About the same level of difficulty as teaching in-person
  - d. Somewhat easier than teaching in-person
  - e. Much easier than teaching in-person
  
- 20. For the days that I was responsible for offering remote instruction, I had good internet access:
  - a. All of the time
  - b. Most of the time

- c. At least half of the time
- d. Less than half of the time

21. I received helpful professional learning opportunities to help me provide high-quality remote instruction for my students this year.

- a. Strongly agree
- b. Agree more than disagree
- c. Disagree more than agree
- d. Strongly disagree
