

WORKING WITH THE PRACTICE SITE

This iTester Practice Site is intended for general orientation for new Portal users. DTCs, STCs, and Test Administrators (including Teachers assigned the TA Role) can navigate through key portal administrative tasks and menus, to include viewing students and classes, scheduling test sessions, viewing test session details and printing student log-in tickets. Some actions required to set-up and administer operational tests cannot be completed in the iTester Practice Site. The iTester Practice Site is used by a variety of clients, thus the iTester Practice Site user interface and menus may differ slightly from the New Mexico Public Education Department Assessments Portal.

Users can navigate to <https://intro.emetric.net/> and log in using one of the demo accounts listed below.

Welcome to the iTester Practice site. Please log in below to get started.
