New Mexico Measures of Student Success and Achievement (NM-MSSA) and Assessment of Science Readiness (NM-ASR)

Spring 2023 Student Report

Student Name: LASTNAME184, FIRST184  
SSID: D00184  
Date of Birth: 05/24/2007  
Tested Grade: 08  
Student Grade: 08  
District: Demonstration District A  
School: Demonstration School 2

Dear Parents and Guardians,

Thank you for your continued support and partnership with the Public Education Department to ensure all New Mexico students are healthy, secure in their identity, and holistically prepared for college, career, and life. The Public Education Department is grateful for the time you have given to support your student's education.

This Individual Score Report describes your student's performance on spring 2023 state assessments. These assessments are summative in nature. The report is designed to give teachers, and you, a snapshot of where your student finished the 2022-23 school year relative to state-adopted content standards and instruction. The PED reminds families that these results reflect a single measure and should be supplemented with other information received from the classroom and school for a more comprehensive look at your child's progress. Additional resources to support your child can be found at the online family portal <https://nmparentportal.emetric.net/login>. For assistance accessing this portal, contact [nmtechsupport@cognia.org](mailto:nmtechsupport@cognia.org).

If you have specific questions about your student's performance on the assessment, you are encouraged to reach out directly to your local school administration. The Family Report Interpretation Guide is available at <https://newmexico.onlinehelp.cognia.org/reporting-resources/>. Additional resources are available on the PED Assessment Bureau's Parent Resource page at <https://webnew.ped.state.nm.us/bureaus/assessment/parent-and-student-resources/>.

The PED appreciates the opportunity to be a part of your student's educational success.

Arsenio Romero, Ph.D.  
Secretary of Education, New Mexico Department of Public Education

How did your student do on the New Mexico MSSA and Assessment of Science Readiness? You can look at your student's scale scores, Achievement Level labels, and Achievement Level Descriptors to determine how well your student has done and whether additional support may be necessary. Your student's teacher can help you with interpreting this report and deciding on next steps for your student.

COMPARISON to the SCHOOL, DISTRICT, and STATE

ACHIEVEMENT LEVELS	SCALE SCORE RANGE	
<b>Advanced</b> – Students show <b>thorough</b> understanding of all 3 dimensions in making sense of phenomena and designing solutions in all 3 science domains.	882 – 890	
<b>Proficient</b> – Students show <b>satisfactory</b> understanding of all 3 dimensions in making sense of phenomena and designing solutions in all 3 science domains.	860 – 881	
<b>Nearing Proficiency</b> – Students show <b>partial</b> understanding of all 3 dimensions in making sense of phenomena and designing solutions in all 3 science domains.	845 – 859	
<b>Novice</b> – Students show <b>emerging</b> understanding of all 3 dimensions in making sense of phenomena and designing solutions to problems in all 3 science domains.	800 – 844
