

STUDENT TESTING INTERFACE

Navigation

The screenshot displays the student testing interface. At the top, there is a navigation bar with a 'Question' dropdown set to '4', a star icon for bookmarks, a 'Zoom' button, and 'Text-to-Speech' controls. Below this, two tabs are visible: 'Passage 1' and 'Passage 2', with an arrow icon next to 'Passage 2'. The main content area shows a passage titled 'A Story About Nothing' by Anonymous, followed by a question: 'What was the author's tone in A Story About Nothing?'. The question has four multiple-choice options: (A) Angry, (B) Cheesy, (C) Depressed, and (D) Complacent. At the bottom, a toolbar contains icons for a calculator, ruler, protractor, and other tools, along with 'Clear', 'Pause/Exit', 'Back', 'Next', and 'Finish' buttons.

1. **Test Map:** Clicking on a question number takes the student to the Test Map and allows for review of the questions in the session.
2. **Bookmark:** Clicking on the Star allows a student to bookmark the question to return to later.
3. **Expandable Passage:** Clicking on the arrow allows a student to expand the passage to full screen, clicking the arrow again resumes side by side window.
4. **Internet Connectivity:** Green = Connected, Grey = Not Connected to the Internet.
5. **Clear:** Removes all student responses from the current question.
6. **Pause/Exit:** Pauses or exits the current test session. Students will need their password for the test to resume testing when paused.
7. **Navigation Buttons:** The Next & Back buttons allow a student to move forward or backward one question at a time.
8. **Finish:** Clicking Finish will take the student to the test review page where they can submit their test for scoring.

Tools, Accessibility Features, and Accommodations

The screenshot shows a testing interface with a reading passage titled "A Story About Nothing" by Anonymous. The passage contains two paragraphs of placeholder text. To the right of the passage is a list of four answer choices: (A) Angry, (B) Cheesy, (C) Depressed, and (D) Complacent. Each choice has an eye icon next to it. A callout box with the number 4 points to these eye icons. At the top of the interface, there are controls for zooming (1), text-to-speech (2), and text-to-speech settings (3). At the bottom, there is a tool bar (5) containing icons for various tools like a line reader, answer eliminator, reverse contrast, color contrast, sketch, highlighter, calculator, ruler, protractor, notepad, and custom masking. Navigation buttons for Clear, Pause/Exit, Back, Next, and Finish are also visible.

- Zoom:** Students can magnify the entire screen in four increments: 100%, 150%, 200%, and 300%. (only available in the kiosk)
- Text-to-Speech:** Students who have a Text-to-Speech (TTS) accessibility feature or accommodation will have TTS controls.
- Text-to-Speech Settings:** Settings to adjust the volume and rate of Text-to-Speech.
- Answer Masking:** Accessibility feature assigned to students that hides an answer by clicking on the eye icon next to the answer choice.
- Tool Bar:** The Student Tools, Accessibility features, and Accommodations available. Some Tools that appear are dependent upon content.

TOOL ICONS	
	Line Reader (I) Focus on one or more lines of text when reading test content
	Answer Eliminator Cross-out multiple-choice answers on a test
	Reverse Contrast (A) Inverts all colors on the page
	Color Contrast (A) Changes the background color and text color of the test content
	Sketch Marks on test content with pencils or highlighter
	Highlighter Places transparent colored highlighting over text
	Calculator (I) Basic or Scientific
	Ruler (I) Measures straight lines in centimeters or inches
	Protractor (I) Measures angles
	Notepad Collects student notes with a timestamp, notes persist uniquely per item
	Custom Masking (A) Masks test content
